W.P.(C) No.32355 of 2006

Dated this the 6th day of December, 2006.

JUDGMENT

This is a third W.P. filed by the petitioner in the same matter. Even though instalment facility was granted vide Ext.P3 judgment dated 24.8.2005, the petitioner did not clear the arrears. The present grievance of the petitioner is that amount is double than the previous demand. Obviously interest accrual and collection charges will be there on account of default. If the petitioner makes payment voluntarily, then of course there will be direction to the respondents not to recover any collection charges, failing which collection charges also will be recovered from the petitioner. The second respondent will give break up of liability showing interest and collection charges separately for the petitioner to understand the details of liability. Recovery can be continued if petitioner does not make payment. The W.P. is closed .
